No. 9838 Dated, Bangalore, 28th April 1909

From H. H. Sparkes, Esquire,
Excise Commissioner
in Mysore .

To

K. S. Chandrasekhara Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness the
Maharaja of Mysore, General and Revenue Depts.

Sir,

I have the honor to submit herewith the records of enquiry relating to the Inamdar's claim to the Excise revenue from toddy of Sarvamanya Taredale village in the Nanjangud -- Taluk of the Mysore District together with the correspondence ending with the Mysore Deputy Commissioner's docket No.694, -- dated the 1st April 1909 and to state that I concur in the opi--nions recorded both by the Investigating Officer and the Deputy Commissioner that the Inamdar is entitled to the Excise revenue from toddy of the village.

2. This village with 13 other villages was granted on -- sarvamanyam tenure to 74 vrithidars by His Highness the late Maharaja Sri Krishnaraja Wodayar Bahadur under a sannad, dated the 1st August 1819, which conceded "Eachalpairu" to the Inamdars along with certain other items of revenue. As decided by Government in the parallel cases relating to the similar claims of the marginally noted villages based on the same sannad, the term "Eachalpairu" in this case also can only be construed as the Excise revenue from toddy for the reason that it is mentioned along with other taxes. Besides in the Dhurva Undige of the village issued three years after the aforesaid sannad the

the following entries are found : -

ಇನ್ ಶೆಂಡಿಸೇಯರ್
ಇರ್ ಅಂಡ್ ಬಿ-೦ ಪಾವರಾಯ್
. ಗಂ. ಶೆಂಡಿ ಲೈಟ್.

It is, therefore, clear that not only was the Excise revenue from toddy conceded by the sannad but also that there was an income from such a revenue in the village so far back as 1822.

3. It will be seen from the Register of Enquiry conducted at the Inam Settlement of 1880 that "Shendi" was one of the items of revenue enjoyed by the Inamdars. In para 3 of column 19 the then Inam Assistant, Mr. B. Rajagopaliah has recorded that "the items of sayer, sendi and forests except Sandal are en-joyed by the Inamdars". As regards the confirmation to be made by him, the Superintendent of Inam Settlements has referred to the Asli case of Koodlapura, the Excise revenue of which from toddy has been conceded to the Inamdars. In the Huzur Sarva-manya Kyfiat Patti of 1838 entered in column 14 of the Register an amount of 38-8-6 is put down as the income from Sayer and Panchbab which latter term included toddy also. In the Title-Deed issued by the Superintendent of Inam Settlements, the item of Shendi has been allowed to the Inamdars.

4. As regards the enjoyment of the revenue prior to 1892-93, the Inamdar has produced documents which go to show that he was in the enjoyment of such revenue even prior to 1868 and up to the year 1892. The want of specific documentary evidence for the three years from 1887 to 1890 cannot vitiate the claim as the evidence adduced leads to the conclusion that the Inamdar should have enjoyed this revenue during these three years also.

5. The village in question contains a toddy shop as well as a date grove. The sannad, the Inam Settlement and long enjoy-ment support the Inamdar's claim to the Excise revenue from -- toddy, and the claim has, therefore, to be admitted subject to

rules

rules 2, 3, 5, 6, 9 and 12 of the rules issued with Government Order No.2074-83/R.F.166-92, dated 2nd August 1901.

6. I may mention for the information of Government that out of the 14 villages included in this group, the claims of 10 -- have been settled. The investigation records have not been -- received in three others. The Deputy Commissioner has been -- requested to submit a formal record of investigation in the -- case of Bagur as well as in the cases of the other two villages.

I have the honor to be,

Sir,

Your most obedient servant,

for Excise Commissioner.

Remarks, if any, as to previous years.	Grounds of decision

1 There are both a toddy shop and a date grove in this village.

2 This along with 13 other villages granted to 72 Brahmins and two temples on Sarvamanya tenure by H.H. the late Sri Krishnaraja Wodeyar Bahadur by means of a Sanad dated the 1st August 1879. The present claimant derives his title to the village through a Sale Deed executed in his favor by its former proprietor, Valabagal Mantayya. The above Sanad confers right to "Eechal pain" only. In the Druva Bandige, however, issued three years later a sum of 7 pagodas (Kantirai) and 2 fanams shown against the item of "Sendi Pain" is included in the total levies of the village. The Inam Settlement of 1880 has conceded to the Inamdar right to toddy, Vide Documents nos 3 and 4 named in Columns hereof. The alienation of the right to toddy Excise might thus be taken to have been sanctioned by Competent authority.

As regards proof of enjoyment of the item by the Inamdar, Documents Nos 5 to 11 cover not only the prescribed period of 12 years prior to 1892-93 but go far beyond it. The said documents prove a continuous

No. FL. 1406-8—S. R. 37-08-4, DATED BANGALORE, 28TH AUGUST 1909.

ORDER THEREON.—"Eachal Pairu" is conceded in the sannad and "Sendi" is included in the "Beriz" of the village.
